HANOVER, PA 4/3/2024

Hanover Area YMCA is excited to share plans for a redevelopment project geared towards increasing capacity and welcoming more community members, to the North Hanover location on George street. This comprehensive renovation plan is underway and anticipated to be completed by mid-June.

Why the Redevelopment?

As the Hanover community continues to grow, The Y is committed to evolving alongside it. The redevelopment project is a testament of our dedication to providing modern, inclusive, and high-quality facilities that meet the changing needs of our members and the expanding Hanover community.

What to Expect:

The Phase #1 redevelopment plan includes several exciting additions and enhancements, such as:

- › **Intergenerational Lobby:** Offering a comfortable and collaborative environment for remote workers, teens, active older adults and other members to connect.
- › **Expanded Child Watch:** With an increase of 300+ square feet, the new area ensures a safe and engaging space for children while their parents utilize YMCA services.
- › **Creative Maker Space:** This new addition allows us to increase family and teen programming by fostering creativity and innovation among members.
- › **New Pool Viewing Area:** Provides parents a dedicated area to observe children during swim lessons and swim team practices.
- › **Healthy Living Kitchen:** Providing additional space for individuals to learn and connect through cooking classes and nutrition education.

The Hanover Area YMCA would like to thank our generous donors whose support makes this possible, The Warehime Foundation, Don & Amy Smith Jr., and the YMCA's own contributions. In addition, we are grateful for the continued support of our members, community, and staff. If you are interested in learning more about supporting The Y mission, please reach out to the Hanover Area YMCA. We look forward to sharing the newly renovated North Hanover location in the near future.
