Dear HANOVER AREA YMCA Members:

All existing HANOVER AREA YMCA Members will need to complete the online account set-up process before you will be able to register online for the first time and/or manage your account. Please review below how to properly set up your online account before beginning to register for programs.

STEP 1:

Ensure you have a valid email connected to your HANOVER AREA YMCA membership account. If you don't or are unsure, please contact member services at "717-632-8211" and we will assist you.

STEP 2:

Logon to hanoverymca.org.

STEP 3:

Enter your email or phone number associated with your membership.

STEP 4:

Click the Forgot your Password link. On the next screen, you will have the option to have a secure link be sent to your email OR you can select one of the three options to have a one-time code sent for quick login.

If you select the link be sent – check your email. Click the link provided and create your password. Your password must be at least 7 characters and contain at least one capital letter and one number.
